megaSun 6

6900 α deluxe

Pure passion.

This sunbed is specially adapted to satisfy your wishes. Elegant design, perfect ergonomics, patented technologies and individual settings will make your heart beat faster.

RUBY-COLLAGEN-BOOSTER

A unique world first.

**Brilliant technology
and silky-smooth skin
are guaranteed.**

The latest generation of high-power LEDs
ensures a considerably deeper skin moisturizing
as well as revitalization, relaxation and
a fresh kick for your face and décolleté.

A shirtless man with short, styled brown hair and a light beard is smiling and looking towards the camera. He is standing in a tanning bed, with his right hand pointing at a control panel. The control panel features several buttons with colored lights (orange, blue, green). The tanning bed has a white and blue color scheme. The background is bright and slightly blurred.

**Perfection -
down to the last detail.**

The background features several overlapping, glowing light trails. Most are in shades of light blue and white, forming loops and curves. One trail on the right side is a vibrant purple and pink, also forming a curve. The overall effect is dynamic and futuristic.

6800 α *hurricane*

THE MOST CLEVER 6 MODEL

Groundbreaking Hurricane tubes.

6800 α hurricane

Simply clever.

The breath-taking, futuristic-looking

Hurricane tubes of the 6800 alpha hurricane

combine the most important wavelengths

of sunlight in only one tube.

Form follows function.

The patented, twisted form

maximizes the performance.

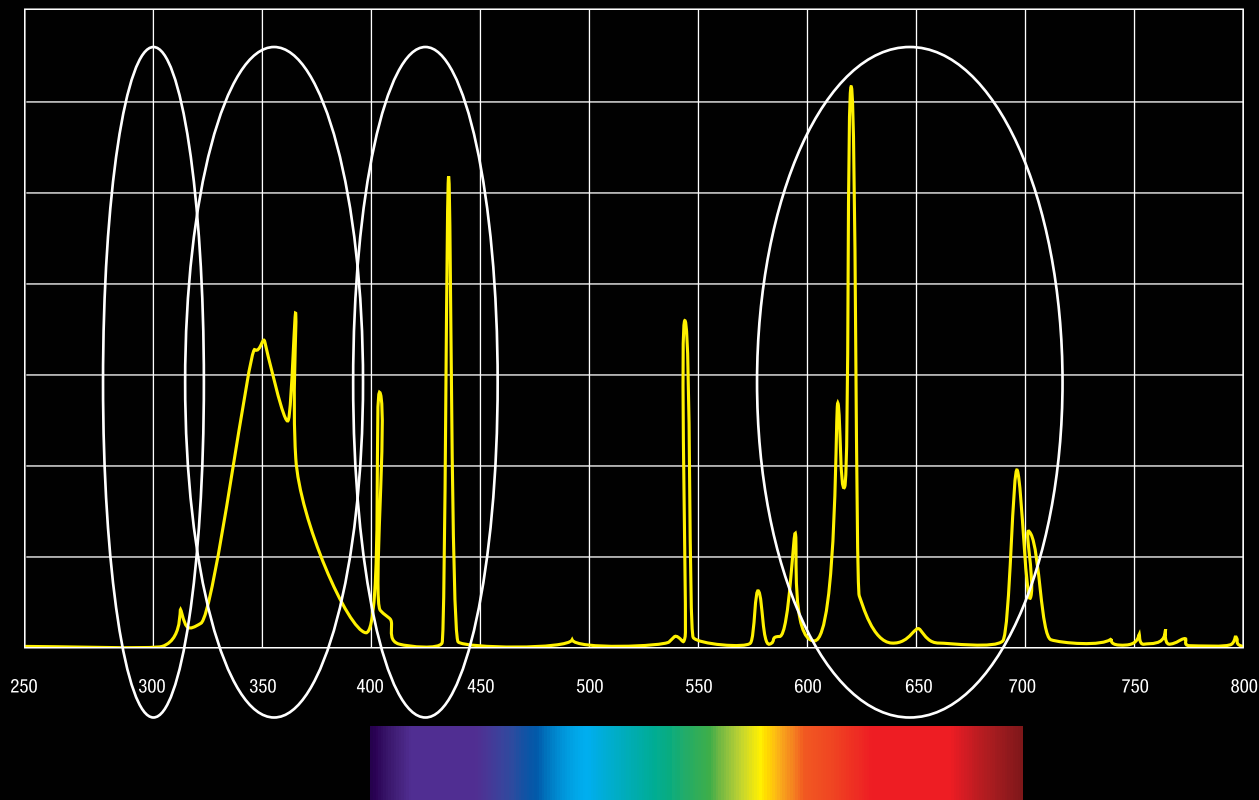

Simply clever - simply megaSun.

Unique.

4 wavelengths. In one tube.

Hurricane is the revolution as such. The **4 most important wavelengths**

have been combined in one single tube for the first time worldwide.

1. UVB

for the production of melanin and Vitamin D

2. UVA

to reach direct, intensive and attractive tan

3. Blue light

for pure and blemish-free skin

4. Red light (Collagen)

has a rejuvenating and soothing effect on your skin.
